

Vol. 8 | July 2023

Discover the Hidden Gems- SMARTiMONY Project Update!

We are thrilled to share some exciting news from the SMARTiMONY project! We have just published fresh content on our social media platforms (Facebook, Twitter, LinkedIn, and Instagram) that will take you on a captivating journey through the rich cultural heritage of our selected monuments.

Update Project's Website

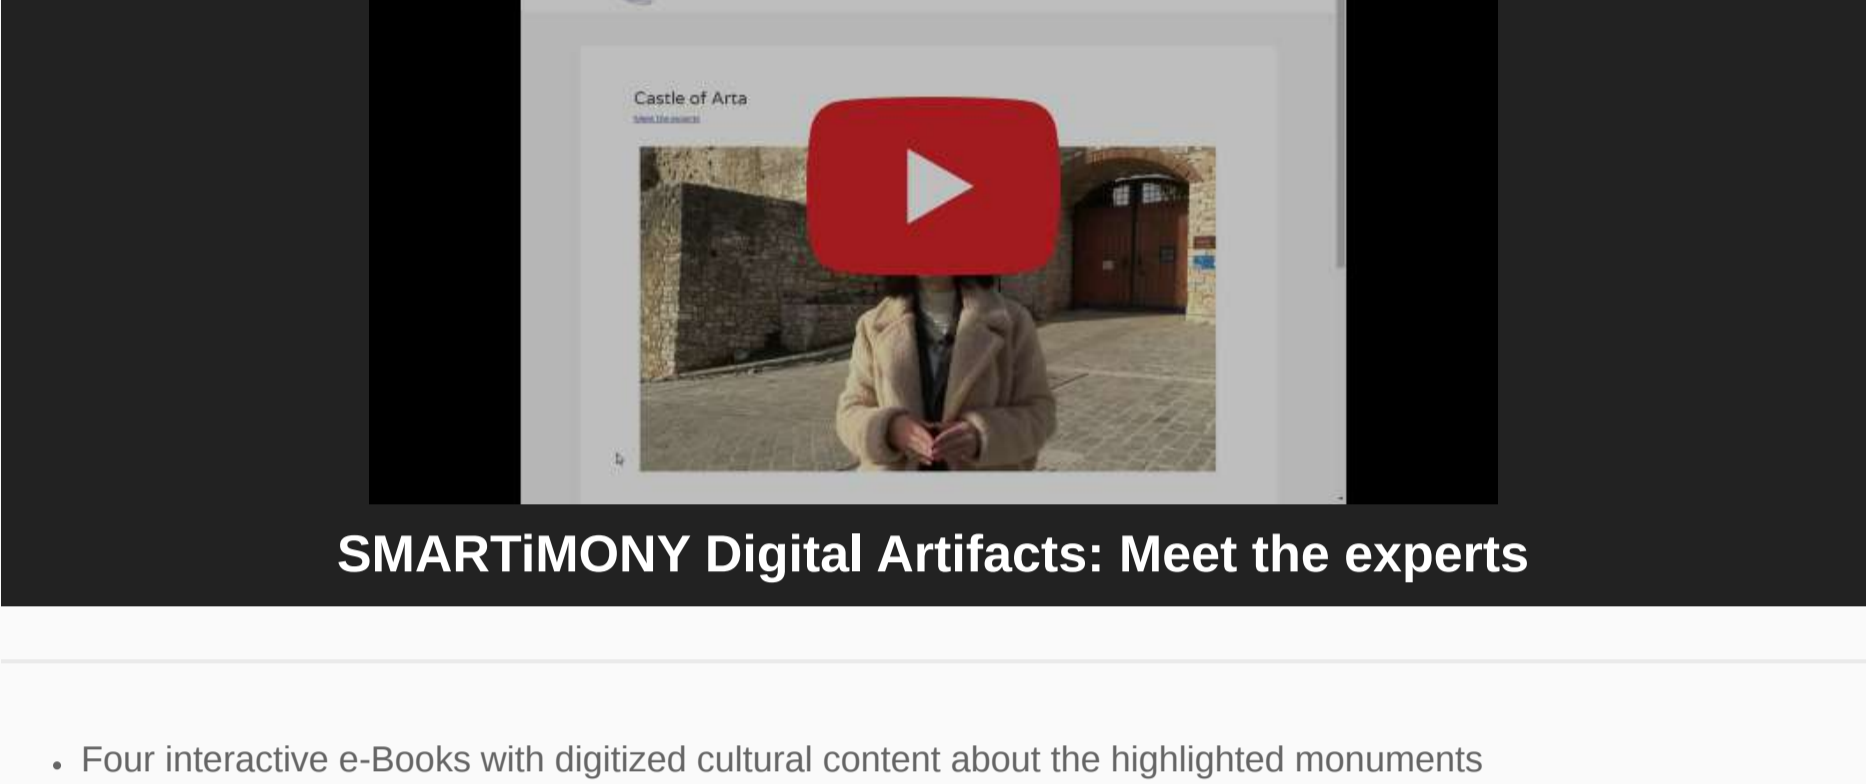

The content of the "Repository" has been updated. In addition, two new categories, i.e., "Digital Artifacts" and "Booking App" have been added to the website.

Additionally, it offers the following:

- Interviews with tourism and heritage experts from the Project Areas

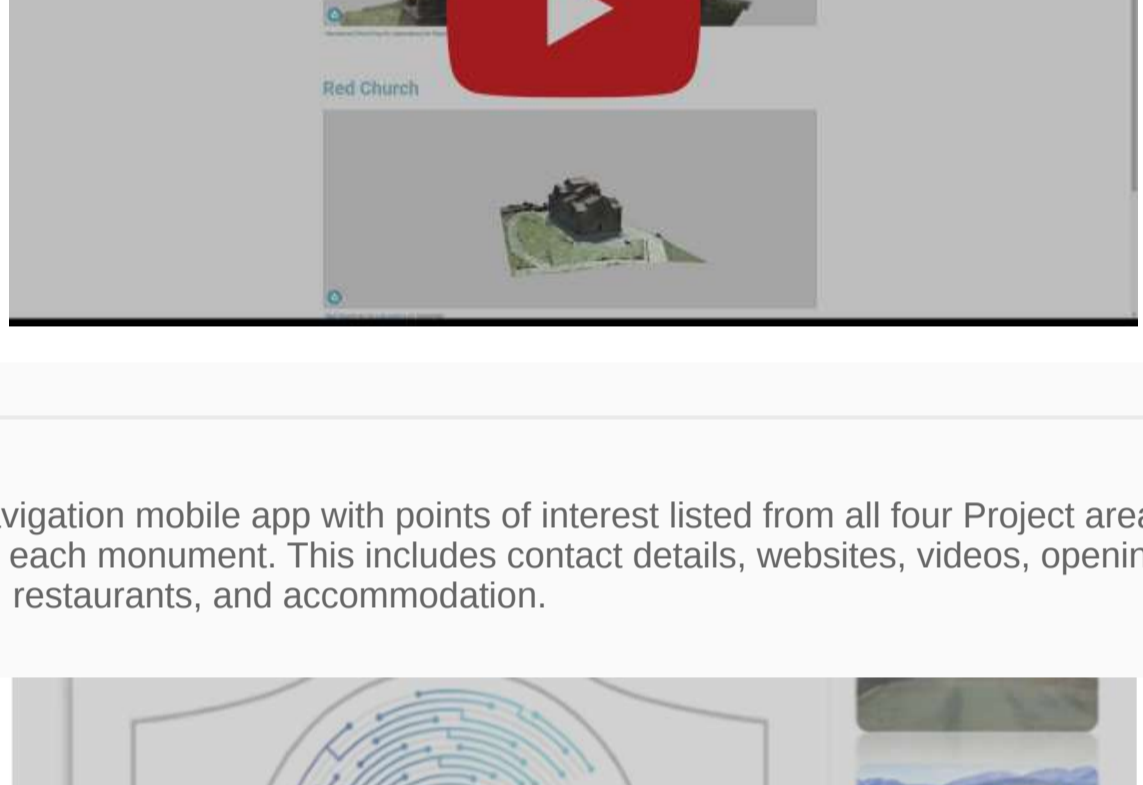

- Four interactive e-Books with digitized cultural content about the highlighted monuments

Click here to download the e-Books

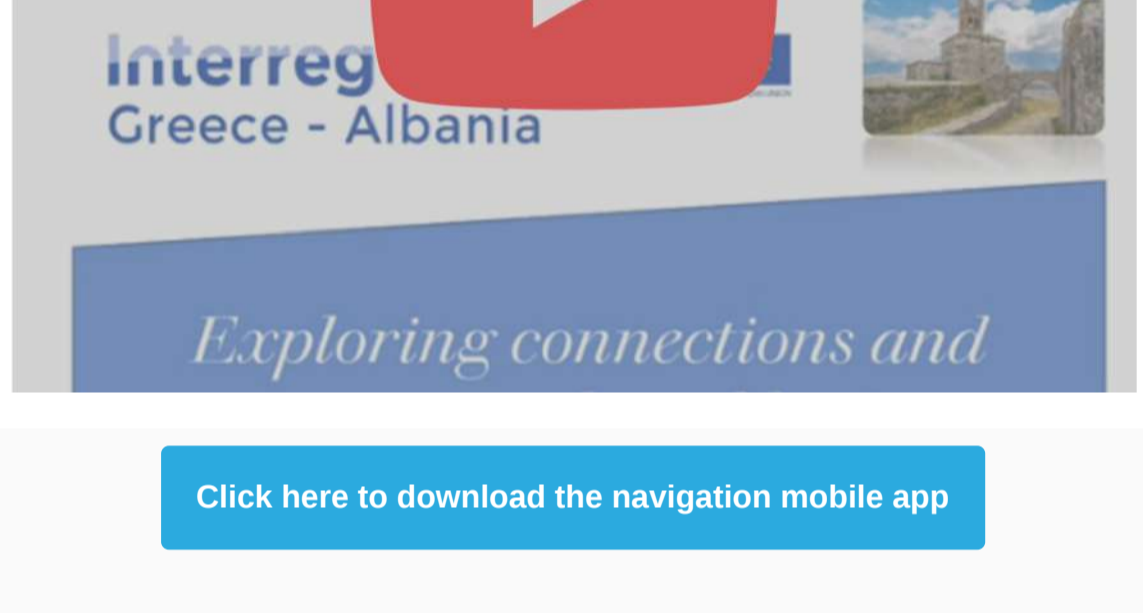

- Four heritage games for kids

Click here to download the heritage games

- 3D models of significant monuments

- A user-friendly navigation mobile app with points of interest listed from all four Project areas, providing detailed information about each monument.

Click here to download the navigation mobile app

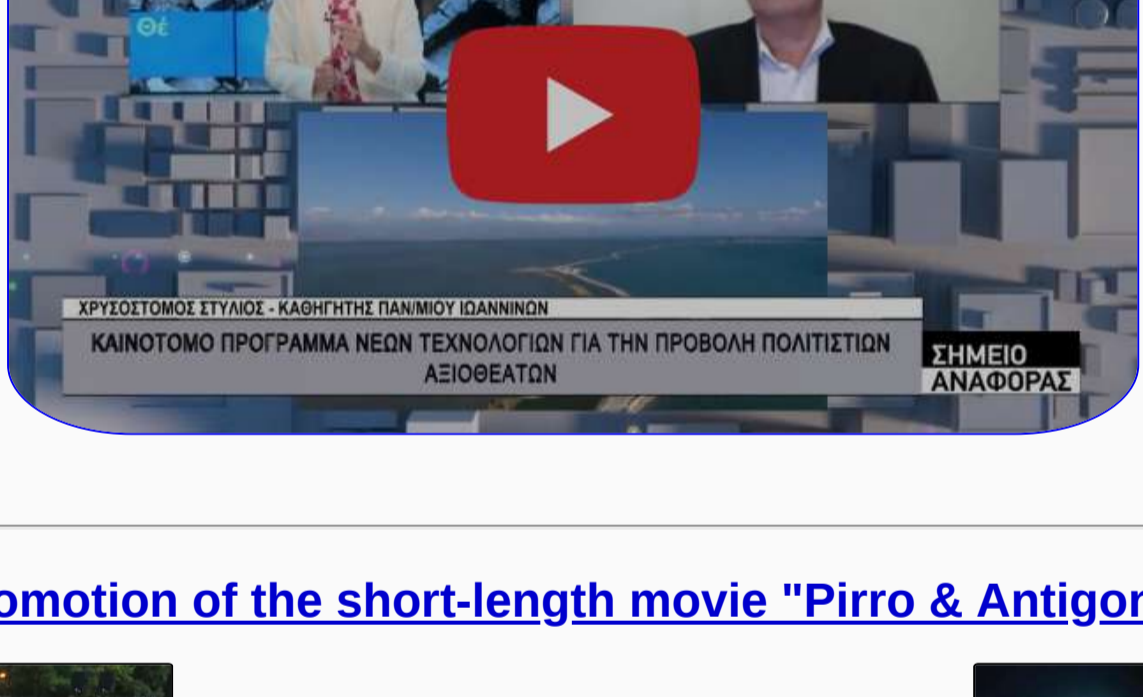

- Augmented Reality app

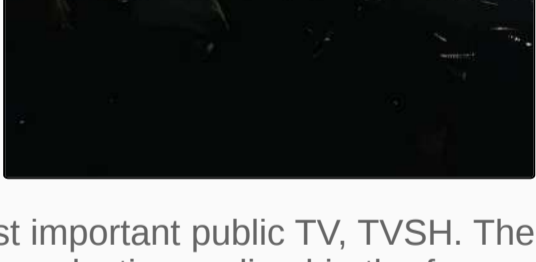

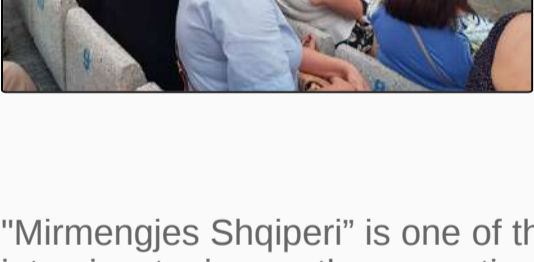

Click here to download the AR app

Interview with the scientific director of the project, Prof. Chrysostomos Stylios, on TV about the activities and results of the project

The SMARTiMONY project's scientific director, Professor Chrysostomos Stylios, recently conducted an interview on AtticaTV to discuss the project's activities and results.

Promotion of the short-length movie "Pirro & Antigona"

"Mirmengjes Shqiperi" is one of the most popular morning shows hosted by the most important public TV, TVSH. The interview topic was the promotion of the short-length movie "Pirro & Antigona" as a production realized in the frames of the SMARTiMONY project.

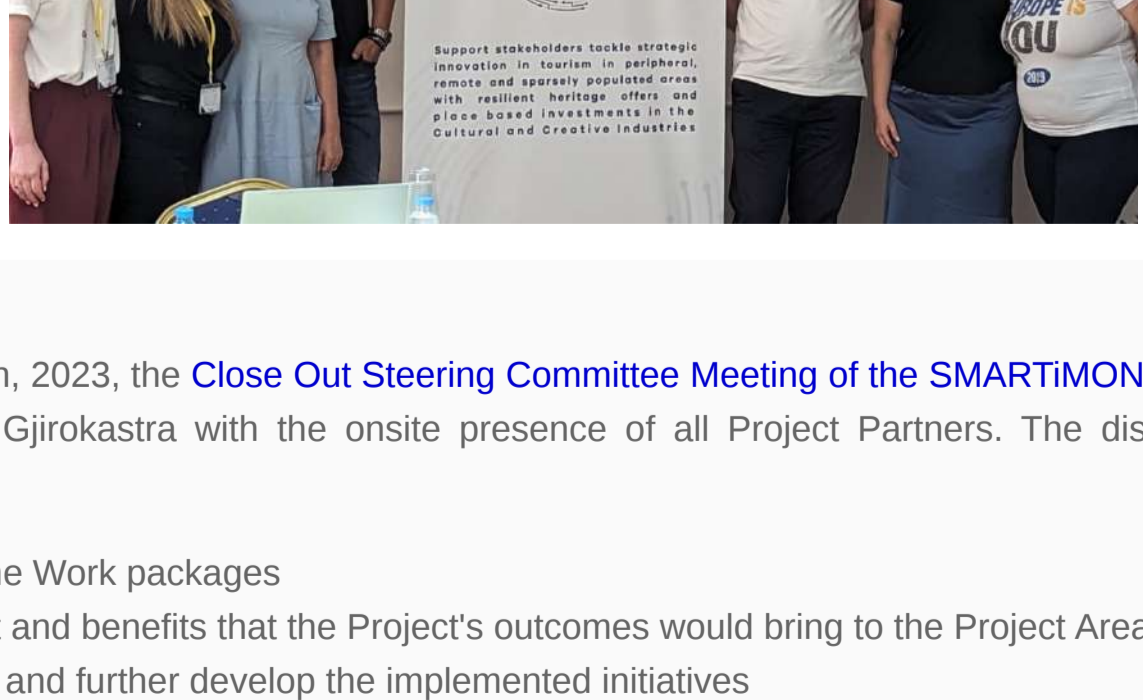

International Conference of the SMARTiMONY Project

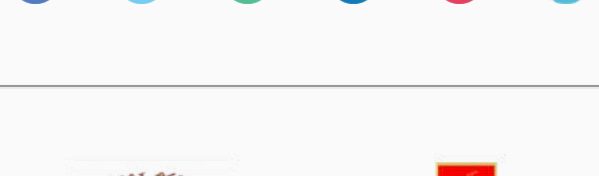

The two-day International Conference of the SMARTiMONY Project, entitled "Smart Tourism and Creative Cultural Industries: Driving Innovation and Collaboration for Sustainable Growth in Epirus and Gjirokastra Regions" concluded successfully on July 20th, 2023.

Close Out Steering Committee Meeting of SMARTiMONY Project

On Thursday, July 20th, 2023, the Close Out Steering Committee Meeting of the SMARTiMONY Project took place at the Hotel "Cajupi" in Gjirokastra with the onsite presence of all Project Partners.

- Presentation of the Work packages
Long-term impact and benefits that the Project's outcomes would bring to the Project Area
Ways to maintain and further develop the implemented initiatives
Best practices, potential improvements, and areas for future focus
Dissemination of the project's results and findings to a broader audience
Key achievements and milestones reached throughout the duration of the SMARTiMONY Project
Successful initiatives, completed tasks, outcomes, and also challenges and obstacles faced during the project's implementation
The overall impact of the SMARTiMONY Project on the region's tourism and Creative Cultural Industries (CCI)
Possibilities for ongoing collaboration in the future

Project co-funded by the European Union and National Funds of the participating countries
